BOARD OKAYS PLANS FOR TWO NEW SCHOOLS

The application of the Littlestown Joint School Board for state approval of its proposal to build a new high school at an estimated cost of \$1,279,290 was given approval Monday night by the Adams County School Board which met in the office of the county superintendent of schools, Clarence P. Keefer.

The joint board has a tract of 22 acres adjacent to the Rolling Acres school on which it proposes to build the new secondary unit. Superintendent Keefer explained that the tract, less than usually required by the state for such a building, will likely be satisfactory as the Littlestown district has what is termed a "campus plot," that is, all of its schools are built on adjacent parcels of land. It is the only district in the county with a campus plot, he said.

The county board also approved a revised application by the Bermudian Springs Joint Board for construction of an elementary unit in East Berlin. The initial application had been made April 11 for a project estimated to cost \$150,115. The revised application calls for an estimated expenditure of \$201,132.

Name Special Teachers

Appointment of two special education teachers was confirmed. They are Loren J. Bower and Rush L. Canouse, both of Berwick. Both will be graduated from Bloomsburg State Teachers College with B.S. degrees in education January 20. They are to begin their duties here January 21.

Canouse will teach a special class. His salary for nine months was set at \$4,500. Bower will be speech teacher. His salary for a 10-month period will be \$4,600.

Superintendent Keefer, district school directory which, he said, will be ready early in January.

The directory, which lists teachers, school directors and school officials and contains other information regarding the schools in the county, is published annually. Keefer said that he has about 150 requests for it from persons and firms outside of the county.

Mr. Paul L. Roy, Editor
The Gettysburg Times
Gettysburg, Pa.

Dear Paul:
Again the Gettysburg Times has done a magnificent job in covering our annual Civil War Conference. Also excellent advance publicity was given. We appreciate all that you did to help make the conference a great success, but particularly thank you for the issue of November 17th.

We at Gettysburg College have now another instance to recall of the fine relationship of your paper and the college.

Sincerely yours,
Robert Fortenbaugh

ASK \$12,000 FROM TOWN ON REC PROGRAM

A tentative \$12,000 budget for the coming year was discussed Monday night by the Gettysburg Recreation Board for submission to borough council for its approval.

Meeting at the recreation office in the Gettysburg High School, the board went over plans for the coming year, voted as favoring continuation of the program as it has been during the last year, and agreed to recommend to borough council that an approximately \$12,000 budget similar to last year be adopted for recreation for the coming year.

Monday's meeting marked one of the major changes since the transfer of the operation of the recreation program from the Gettysburg Recreation Association to borough council. Previously the association set up its own budget and secured its own money to carry on the program. Under the new arrangement the amount for recreation will be part of the borough budget and will be adopted by council as part of the regular budget. The board however was asked to make recommendations to the council finance committee of the sums needed for the program.

Meet With Schoolmen

Much of Monday's session was in joint meeting with the Gettysburg School Board and representatives of Borough Council. Meeting with the Recreation Board were two councilmen, C. Donald Robert and Mahlon P. Hartzell Sr., and the school board.

2 MEN HURT IN TRUCK CRASH

Two men were injured Monday evening at 7:45 o'clock when a truck crashed into a tree 50 yards west of Camp Nawakwa.

State police said J. L. Clapsall, 36, Orrtanna R. 1, driver of the truck, had a fracture of the left leg. A passenger in the vehicle, Arthur Baker, 35, Biglerville R. 1, had a fracture of the left collarbone, laceration of the face and lacerations of the left leg. A third passenger in the vehicle, Harold Irvin, 40, Orrtanna R. 1, escaped injury.

The two injured men were removed to the Warner Hospital by William Kimple, Orrtanna R. 1. Police said the accident occurred when Clapsall, driving a 1949 Ford truck, lost control of his vehicle when it left the hard surfaced highway and entered an earthen section of the road five miles north of Arendtsville. The vehicle, out of control, went off the side of the road and struck a tree. Damage to the truck was estimated at \$300.

Local Woman Wins Weekly Football Contest; Four Ties

Four of 198 contestants named 10 winners of the 12 games listed in last week's football contest but Mrs. Mae C. Slaybaugh, 167 E. Middle St., won top honors on her feature game total prediction of 34. The feature game total was 45, Gettysburg defeating F. and M. 32-13.

Ronald A. Miller, 214 W. Middle St., won second prize with a feature game prediction of 30 points.

Mike Treas, 322 York St., was relegated to third prize on his point prediction of 28.

The other contestant with 10 winners, Mrs. Marie Little, 404 S. Washington St., chose 18 points for the feature game.

GIVES HISTORY OF CERAMICS FOR AUXILIARY

The history of the art of making ceramics was discussed by Mrs. Philip Noble at a meeting of the Women's Auxiliary of the Annie M. Warner Hospital Monday afternoon in the parlor of the Nurses' Home. Mrs. Noble traced the development of the art from its earliest stages to the present time, when the art is rapidly becoming one of the favorite hobbies. She gave the origin and history of familiar terms such as "majolica" and "porcelain" as related to the ceramics industry. After the history was given, Mrs. Noble displayed and described the making of several pieces of ceramics she has made.

Mrs. Robert J. Kenworthy was the program chairman and introduced Mrs. Noble.

Mrs. Clark S. Smith, auxiliary president, presided at the business meeting. Mrs. David Stoner gave the secretary's report, and Mrs. Howard Hartzell gave the treasurer's report which included a profit for the month from the Photo-Babe Project of \$51.50 and a profit for the month from the Snack Bar of \$180.50.

288 Members

Mrs. J. A. Henry, membership chairman, reported there are 288 paid memberships to date, 8 honorary memberships, and 1 affiliated membership, with 9 new members this month.

Mrs. Harold L. Ecker, publicity chairman, asked that officers and chairmen of committees who have information they want published in the January newsletter to give that information to her no later than January 10. She also asked that members who have not been receiving their newsletters notify her so that she might get a correct address before the next mailing.

Scout Christmas Party December 8

The annual Black Walnut Boy Scout District Christmas party will be held Monday, December 8, at 7 p.m. at the Gettysburg High School gymnasium. Dr. Joseph H. Riley, general chairman for the party, announced today.

All Cubs, Scouts and Explorers and their leaders are invited to the party. Dr. Riley said. A collection will be taken with the proceeds to be spent on Christmas baskets to be delivered to needy families on Christmas Day. The program will include a visit by Santa Claus, peanut scrambles and distribution of oranges and candy.

Wide Temperature Spread On Monday

Temperature changes of as much as 30 degrees in a day are unusual here but some kind of a record may have been set Monday when there was a 45-degree span between the high and low readings at The Gettysburg Times weather station.

Monday morning's low was 23 degrees and the afternoon high was 68 degrees. Then the mercury plummeted through 41 degrees again to go to a low of 27 degrees early today.

TALKS FOR DAIRYMEN

Facts about bulk milk tanks will be discussed at a meeting December 4 at Hampton fire hall at 1:30 p.m. and at the Littlestown fire hall at 8 p.m. by Ivan Parkin, dairy specialist from Pennsylvania State University, Assistant County Agent John D. Naugle announced today. Parkin will talk on advantages and disadvantages, types of tanks, initial and maintenance costs, cleansing and sanitizing.

The Rev. William Fenstermaker, pastor of the local Methodist Church, was the speaker Monday evening for a ladies' night dinner meeting of the Gettysburg Kiwanis Club at the Methodist Church. A ham dinner was served and the club president, Prof. Herbert Hamme, presided.

The Rev. Mr. Fenstermaker spoke on the history of thanks giving, the initiation of the American Thanksgiving by the Pilgrims and the current need for Americans to become aware of the importance of sharing their abundance and being "truly thankful."

Guests included Cecil M. Pepperman, Camp Hill, Division 13 lieutenant governor of Kiwanis, and Governor-elect Harry P. Breen, Carlisle, and their wives. Both spoke briefly with Mr. Breen discussing the Kiwanis slogan for 1959, "Building Individual Responsibility."

There was special music by two Gettysburg College students, Jean F. Oelner was the pianist and Robert Bullock sang three selections.

Forty-one members and guests attended. There were fall corsages for the ladies.

The Carol Ann Shoppe, formerly Virginia Murray, will be closed Wednesday afternoon from 1 to 4 p.m.

Win Prize In Biglerville Parade

The first prize winner in the children's express wagon division in Biglerville's annual Christmas parade Monday evening were two youngsters from Dillsburg, Gale Bentz and Carol Weigard, whose "Stairway to the Moon" attracted much attention and applause. (Times Photo)

ADVISORY UNIT OF CITIZENS MEETS MONDAY

The Citizens' Advisory committee for Gettysburg College met Monday evening at Alumni hall with Chairman William G. Weaver presiding and 12 members present including two representatives of the college.

Chairman Weaver opened the meeting by giving a resume of the committee's functions, pointing out the new relationship it provides for the first time between the college and the community. He cited "eight or nine" instances in which there had been indications of this new cooperation.

It was suggested that in some future mailing a "clear indication" be made to the community of "what the college means financially to Gettysburg." It was also suggested that organizations in the town be provided with a calendar of 1959 events on the campus and the college representatives promised such a calendar soon after January 1.

College Courses Open

Community groups not now represented on the Advisory committee and with an interest in taking part in the work of the committee should get in touch with Chairman Weaver, it was agreed so that new names can be added to the group. The new Optimist Club and the county bar association were listed among others.

Members of the committee suggested that local service groups who do not now have among their membership representatives of the college "family" would find it beneficial to invite college folk to join.

The attention of the community was called to the fact that in many departments at the college special courses are open to special students from the community.

Police Seek Pair And Stolen Shaver

Gettysburg police today are searching for a boy and girl, both about 18 years of age who reportedly "walked out" of the Gettysburg Royal Jewelers store, Baltimore St., with a Remington electric shaver, valued at \$34.50, Monday morning at 11:30 o'clock.

Foster Mann, manager of the store, told police the boy previously gave his name as William Wallen, of Hanover R. 1. He said the slender youth was about 5 feet 10 inches tall, had light brown hair and was wearing a light colored jacket. The girl had reddish blonde hair, he said, freckles and was wearing a light colored jacket.

DEMOCRATIC WOMEN NAME 3 OFFICERS

Three new officers were elected by the Democratic Women's Club of Adams County Monday evening at its meeting at the YWCA. The officers elected to two-year terms are vice president, Mrs. Laura Freed, secretary, Miss Jean Miller and treasurer, Mrs. Evelyn Chrismer. The officers will be installed in January.

The president, Mrs. Bess Kapp, presided. Mrs. John Rice, chaplain, gave the invocation and also read the report of the nominating committee.

The members voted on a trip to Hyde Park proposed in a letter from Mrs. Louise Johns, Harrisburg.

Program Chairman

Mrs. Marie Harbaugh, county vice chairman of the Democratic party, was appointed Program committee chairman after Mrs. Rice had asked to be relieved of that duty.

Harry Kuhn, Gettysburg, was announced as the recipient of a quilt donated by Anna Laura Slaybaugh, of New Oxford. The quilt brought \$94.74 into the treasury of the organization, the ways and means committee reported. Laura Cratin and Florence Klunk were appointed an auditing committee.

County Democratic Chairman Fred G. Klunk gave an analysis of the results of the election. Hostesses for the January meeting were announced as the Misses Allene and Elizabeth Irvin. The membership chairman reported six new members. There will be no meeting of the club in December.

Elect Teeter To 1st National Board

John D. Teeter, Gettysburg R. 2, president of John S. Teeter and Sons, Inc., this morning was elected a member of the board of directors of the First National Bank of Gettysburg.

His appointment fills the vacancy caused by the death of the late Edmund W. Thomas, president of the bank. Teeter will begin his new duties with next Tuesday's meeting of the bank board.

Farmers Operate On Their Doctor-Father; Save Life

ST. PAUL, Minn. (AP) — "Get scared?—there wasn't time—and after it was all over there was no reason to."

That was the way Robert F. Olson, 37-year-old suburban Rosemount farmer described his reaction today to a dramatic kitchen knife operation in which he saved the life of his 71-year-old doctor father who was cooking on a piece of ham at a wedding anniversary celebration.

The emergency surgery was performed Sunday by Robert and a brother, Charles, 40, in the kitchen of Robert Olson's farm home. They used a paring knife and tube from a fountain pen to open the windpipe of Dr. Charles A. Olson and restore the flow of oxygen to his lungs.

No Medical Training

Neither brother had any medical training. Robert said he was elected to perform the operation because he knew where the windpipe was.

UNION THANKS SERVICE HERE THURSDAY AT 9

The Rev. Harold E. Mowen, pastor of the Prince of Peace Episcopal Church here, will deliver the sermon at the annual Union Thanksgiving Day service to be held in the Presbyterian Church Thursday morning at 9 o'clock.

The host pastor, the Rev. Robert A. MacAskill, will give the invocation and conduct the service. The Thanksgiving Day proclamation of President Eisenhower will be read by Dr. Howard S. Fox, pastor of Trinity United Church of Christ.

The Scripture reading and offertory prayer will be by the Rev. M. Lena Parr, pastor of the AME Zion Church and the Rev. Harry Fehl Jr., pastor of the Memorial EUB Church, will lead the responsive reading and give the Thanksgiving prayer.

Ends Clothing Drive

The Presbyterian choir will sing under the direction of Paul W. Grove.

The offering will go to the work being done among migrant workers in Adams County.

Thursday also marks the official close of the appeal for clothing which has been made throughout the county by the Adams County Ministerium.

St. James Lutheran Church will have its own Thanksgiving service at 10 o'clock Thursday morning.

During the Thanksgiving

season each of America's three great religious faiths — Catholic, Protestant and Jewish — is making special appeals for funds and materials with which to carry on worldwide programs of assistance to hungry, homeless and destitute people abroad.

Protestant churches, in individual and community services and other efforts, are emphasizing the Share Our Surplus program of Church World Service to finance free distribution of U. S. surplus food commodities to the undernourished.

Coincidentally, Catholic

churches are stressing The Bishops' Thanksgiving Clothing Collection of Catholic Relief Services with a goal of ten million pounds of good used clothing for distribution to refugees and other victims of need in scores of distress areas.

HELD FOR COURT

Robert J. Davis, Fairfield R. D., was arrested Monday afternoon by Constable W. L. Fleming, Fairfield, on a morals charge filed by F. W. Sites, Fairfield R. 1, for his minor daughter before Justice of the Peace Robert P. Snyder. Davis waived preliminary hearing and furnished \$600 bail for February court.

With more than 5,000 people jamming its streets to view the spectacle, Biglerville held its tenth and most successful holiday parade Monday night.

With the temperature hovering around the 50-degree mark, the spectators filled the sidewalks along almost the entire length of Main St., spilled over into the street, and filled up sections of other streets along which the parade marched.

Twenty-two competitive floats were entered in the parade along with as large a number of commercial floats. Judges were agreed that for costuming, originality and skill of design, the floats Monday generally surpassed the entries in prior years.

Dillsburg Floats Win

Four bands and numerous children, marching units and fire trucks took part in the procession. The Super Sabres, marching unit of the Air Force ROTC of Gettysburg College, which did not compete for an award, provided a military touch to the parade.

Three floats from the Northern Joint High School, Dillsburg, won the first three prizes in the float competition.

First prize, \$50, went to entry No. 52, the Queen's float from Northern Joint High School. Second award, \$35, was given float No. 50, entitled "Miss Alaska of 1959" and showing not only the Alaskan queen but an eskimo in native costume. Third prize, \$25, went to the "King's Paradise" float of Northern Joint High School, showing King Neptune and a court that included mermaids.

Other Prize Winners

The other float awards in order were: Fourth, \$22.50, Wenksville Methodist Youth Fellowship float depicting the Nativity, with live animals; Fifth, \$20, Biglerville Grange float featuring a huge cornucopia; Sixth, Biglerville WCTU showing a number of ladies in old fashioned garb singing in an old fashioned parlor. A real stove gave off smoke, an old fashioned table lamp provided the light.

Seventh prize, \$15, went to the Snow Queen entry of Biglerville High School Club No. 9. Eighth prize, \$15 was awarded the entry

WOMAN'S CLUB WILL OPERATE GIFT BUREAU

The Holiday Bureau is getting ready to open for business for its third year as a clearing house for those organizations and individuals who wish to give holiday gifts to needy persons and families in Adams County.

Organized under the sponsorship of the Adams County Community Services, the bureau will be operated this year by the Woman's Club of Gettysburg. This year it is in the YWCA on Lincoln Square and has a special telephone number, 98. Calls will be accepted from 9:30 a.m. to 11:30 a.m. and from 2 p.m. to 4:30 p.m. Monday through Saturday starting December 1.

To Check Information

The bureau will seek two kinds of information:

1. Those to whom gifts should be given, family name and size, age and sex of children and special known needs, such as blankets or fuel, and directions to reach the home.

2. Those who wish to give and the types of gifts they plan to give.

By checking this information the bureau will aid in directing the appropriate gifts to the place where they are needed and will help avoid duplications.

Information compiled by the bureau is confidential, a spokesman said. Lists of needy persons may be sent at once to Mrs. W. Ramsay Jones, 133 Barlow St.

Organizations and individuals who plan to give Christmas gifts to the needy are asked to notify the bureau so as to avoid duplication of gifts or giving more gifts to one person or family while others are overlooked.

SAYS TRAVEL IS BEST HOPE FOR PEACE

A Lancaster student, Miss Ann Geracimos, who recently returned from Europe where she studied on a Rotary Foundation Fellowship grant, Monday evening told the local Rotary Club at its meeting at the YWCA that "the best hope for peace is travel and contact between peoples in order to bring better understanding into the world."

Miss Geracimos, Rotary Fellow from District 730, which includes the Gettysburg Club, recently completed studies in the University of Nottingham, England, after graduation from Wellesley College. She showed slides she took while attending school in England and during a visit to Yugoslavia with a classmate at the University in England, who is a resident of Yugoslavia.

Miss Geracimos said the "English for the most part have a very slanted view of life in the United States." She said she was amused by the reaction of many residents of Nottingham to the Robin Hood story laid in that section of England. "Many apparently are not too pleased with Robin Hood," she said.

In Yugoslavia she found "the people most friendly. I traveled wherever I pleased without restrictions and took whatever pictures I wished with no one interfering."

Vice President John A. MacPhail introduced the speaker. He also announced that the speaker next Monday night will be John H. Berkley, regional director for the state Employment Service, who will speak on "Problems of Older Workers."

Fifty attended the meeting at which President David Blocher presided.

Okays Burial In National Cemetery

The York County court made final Monday an order permitting the removal of a body from New Holland Cemetery at Saginaw so that it may be interred in the National Cemetery at Gettysburg. Judge George W. Atkins handed down the final order which sustains an opinion written last year by Judge Ray P. Sherwood, who since has retired from the bench. The decree is in favor of Mrs. Grace D. Miller, York, widow of Clarence A. Miller, who died Sept. 24, 1952. After his body was interred in the New Holland Cemetery, the widow sought to have it transferred to Gettysburg.

The move was opposed by five children of the deceased by a former marriage and the widow filed suit in court. The children are Margaret Smith, Ann Derr, Clarence, Eugene and Henry Miller. Judge Atkins in his opinion said Mrs. Miller had not waived her right to have the remains removed. He cited a case in which the state Supreme Court ruled in favor of a widow who sought to have the remains of her husband re-interred after 28 years.

BULLETINS

TAIPEI (AP) — Nationalist officials today reported two bloody uprisings against the Communists this fall on Red China's mainland opposite Formosa.

They said civilians attacked Red troops in each case in the mistaken belief Chiang Kai-shek's soldiers had landed. Both uprisings were reported to have been brutally suppressed.

LIMESTONE, Maine (AP) — Five airmen died in the flaming crash of a huge KC135, jet tanker at Loring Air Force Base today.

The Air Force said two of the men aboard were thrown clear of the wreckage and managed to get out "by some miracle." One of them escaped with a lacerated hand, the other suffered a broken arm and burns.

AUGUSTA, Ga. (AP) — President Eisenhower will confer on military spending here Friday with Secretary of Defense Neil H. McElroy and Gen. Nathan F. Twining, chairman of the Joint Chiefs of Staff.

The vacationing President also called other top Pentagon officials, Budget Director Maurice G. Stans, and key members of his White House staff to the conference to be held at the Augusta National Golf Club.

JUNEAU, Alaska (AP) — Paths to many of the 287 precincts were spread with fresh snow and it was near zero in much of this Northern territory today as eager Alaskans voted in their first state election.

Upwards of 40,000 were expected to brave the weather to cast ballots. About 60,000, including those 19 and 20 years old, were eligible to vote out of a population of some 210,000.

UNITED NATIONS, N. Y. (AP) — An army of small nations pressed a last-ditch effort today to head off a Soviet boycott of a new U.N. committee to study peaceful use of outer space.

The compromise seekers hoped to get the United States and the Soviet Union together before the Assembly takes final action authorizing establishment of the new committee. But their chance of success appeared slight.

County Driver Pays Fine After Crash

An Aspers R. 1 youth has paid a \$50 fine and \$9 costs on a charge of drunkenness and disorderly conduct by automobile, filed before Justice of the Peace Preston Smith, Spring Garden Township, after an auto crash Sunday.

The defendant, Clarence Speelman, 18, was identified by township police as the driver of an auto which struck a car belonging to David L. Thompson, York, and parked near his home. Speelman and two other youths were injured slightly in the early morning crash.

Nixon Starts Four Day Visit In England Today

By STERLING SLAPPEY
LONDON (AP)—Vice President Nixon began a four-day visit to Britain today with a pledge that the West will stay in Berlin.

Nixon warned against a policy of "rewarding aggression" through appeasement either in Berlin or the Formosa Strait. His speech was prepared for delivery at a luncheon of the Pilgrims' Society, an influential British-American friendship organization.

The vice president and Mrs. Nixon arrived in England after an overnight flight from Washington. With London airport smothered in fog, they landed an hour late, 20 miles south of London, and took a train into the city.

Reds Plans Trouble

Foreign Secretary Selwyn Lloyd, U.S. Ambassador John Hay Whitney and other members of the official welcoming party hurried from the London airport to greet Nixon at the railroad station.

Although the Communists have scheduled an anti-Nixon demonstration tonight, there were no incidents as the party drove away from the station in 10 black limousines.

Nixon came to represent President Eisenhower Wednesday at the dedication of a chapel in St. Paul's Cathedral which honors the 12,000 Americans killed in World

COURT ORDER BARS PILOTS STRIKE TODAY

MIAMI, Fla. (AP) — An 11th-hour court order blocked a pilots' strike at American Airlines and prevented the Thanksgiving holiday air travel crisis from becoming worse. Two other airlines are paralyzed by strikes.

The Air Line Pilots Assn. had threatened to strike American at midnight. Federal Judge Frederick V. P. Bryan issued a temporary restraining order Monday night enjoining the walkout.

Eastern Air Lines, the country's largest air passenger carrier, shut down operations Monday as flight engineers and mechanics went out.

TWA Struck
Trans World Airlines has been struck by 6,700 machinists since Friday.

The strike at Eastern sent holiday travelers rushing for alternate accommodations.

Other airlines were expanding their schedules and railroads added facilities to handle the Thanksgiving Day throngs. But it appeared that thousands of students, servicemen and others would not get home.

Must Show Cause
Judge Bryan's order required the pilots association to show cause by Friday why it should not be enjoined from striking. If sufficient cause is not shown, the order remains in effect while negotiations continue on the association's demands for higher pay, a shorter work schedule and other rule changes.

American asked for the restraining order on the grounds that a walkout by its 1,500 pilots would violate Railway Labor Act requirements for mediation and other compulsory "cooling off" measures.

The association argued it had fulfilled all such requirements. Capital Getting Back
About 7,500 Eastern employees stopped work, and both sides prepared for what they predicted would be a long strike. A company spokesman expressed doubt that it would be settled by Christmas.

Meanwhile, Capital Airlines said it would return to normal operations by today. A machinists' strike at Capital more than a month ago has been settled. A spokesman for the Pennsylvania Railroad said the line has been carrying extra equipment since the Capital strike.

Baby Is Clawed To Death By Dog

ERIE, Pa. (AP)—Michael Kaminski, 3, was bitten and clawed to death Monday by a pet German shepherd dog on the family farm in nearby Harborcreek.

Police killed the dog which previously had shown no apparent vicious tendencies. Officers said the 6-month-old dog, given to Michael's parents two weeks ago by relatives, apparently sprang at the boy at the entrance of the barn and dragged him about 60 feet.

A family friend, Betty Exlein, attracted by the barking of several dogs, found the boy's body at the rear of the barn. She said the German shepherd was standing over the body.

FINED FOR SUNDAY SALES
DANVILLE, Pa. (AP)—A complaint filed by the Danville Ministerial Assn. has resulted in a \$4 fine for a merchant who admitted selling children's toys last Sunday.

The merchant, Raymond E. Purdie, pleaded guilty Monday to violating the blue law against unnecessary Sunday retail sales. He was fined by Justice of the Peace Austin H. Klase.

and two other youths were injured slightly in the early morning crash.

Market Resists Further Decline

NEW YORK (AP) — The stock market resisted further decline in the wake of its biggest loss in three years. Prices were mixed early this afternoon. Trading was heavy.

Gains and losses of fractions to about a point prevailed among key stocks. Some specially situated issues gained vigorously.

Rails forged ahead on average. Steels moved to the upside. Aircrafts and oils were higher. Losses among chemicals, coppers, rubbers and a variety of other stocks tilted the industrial section to an over-all loss. Utilities were about unchanged.

Brokers noted a technical rebound for many stocks following Monday's break, the steepest since the first trading session following President Eisenhower's heart attack in September 1955.

Say Kettering Is Worse Today

DAYTON, Ohio (AP) — A turn for the worse was reported today in the condition of Charles F. Kettering, famed automotive inventor and engineer. He is in a coma.

Dr. G. Douglas Talbot issued a bulletin which indicated the 82-year-old Kettering has suffered a second and more severe stroke. Kettering suffered a light stroke Sunday.

His ideas, inventions and improvements have had a profound effect on a dozen industries.

Murders Crippled Daughter And Wife

GORHAM, Maine (AP)—County officials said today a despondent North Gorham resident has killed his crippled daughter and his wife with a hammer.

Officials said Walcott Moses, about 60, went to a local undertaker's home at 6 a.m. and reported he had killed his daughter, Frances, 28, and his wife, Lulu, 55.

Sheriff Allan Jones said he had taken Moses to jail at Portland. Dr. Sydney R. Branson said Moses' daughter had been crippled since birth.

DENVER, Colo. (AP) — Two persons were injured and 25 to 30 homes damaged by high winds that skipped across a residential area northwest of here early today. Gusts reached 100 miles an hour.

Neither of the injured was seriously hurt. The winds hit moments later at Fairview, Colo., a suburb of Boulder about 20 miles northwest. Post and trees were blown down. The U.S. Weather Bureau said the sudden winds left the area after striking at Fairview. Highway patrolmen said its only damage was in the two areas.

SNOW, WINDS LASH NATION

By THE ASSOCIATED PRESS
Wintry weather, with cold, snow and strong winds whipped across the northern Rockies and northern Plains today and headed into the northern Midwest areas.

Coldest weather of the season and heavy snowfalls were reported as the blast of icy air, sweeping down from the Yukon district, fanned across the northwest Plains.

Blizzard conditions prevailed in most of the northern Rockies. Heavy snow arnings were posted for North Dakota, parts of South Dakota and northern Minnesota. Heavy snow also appeared possible in the extreme northern Great Lakes region.

Temperatures Drop
Temperatures dropped to zero during the night in northern Montana and cold wave warnings were in effect in North Dakota and Wyoming. The same warnings were issued for tonight southward through the plains as far as northwest Kansas.

Cold weather moved into the Northeast and spread into the mid-Atlantic states. Temperatures dropped to freezing and blow, and snow of more than 2 inches covered most of the northwestern slopes of the Appalachians.

Heat records for the date were set at Macon, Ga., with 81 degrees; Sarasota, Fla., with 89; Tampa, Fla., with 88; and Chattanooga, Tenn., with 75.

DR. L. C. MANGES COLLEGE GRAD, IS HONORED

"Boys who trained for the ministry" under the direction of the Rev. Dr. Lewis C. Manges, pastor emeritus of Memorial Evangelical Lutheran Church, Harrisburg, attended a testimonial dinner for Dr. Manges and his wife Monday night at the Harrisburg Hotel. The affair was sponsored by a group of laymen from the church.

Pastors who were either encouraged by Dr. Manges to enter the ministry or received preliminary training under him all were on hand for Monday's tribute and recalled their boyhood experiences in brief talks. The Rev. James E. Manges at Memorial Evangelical Lutheran Church in 1952, served as toastmaster.

Other pastors regarded as "sons" of the church, who attended with their wives, included: The Rev. Paul Whitmoyer, Hershey; the Rev. Dr. George F. Harkins, assistant to the president of the United Lutheran Church in America; the Rev. Dr. Paul Clouser, Middletown; the Rev. Dr. Robert Koons, Sunbury; the Rev. Dr. Musser D. White, Washington; the Rev. Dr. J. Ray Houser, president of the Lutheran Theological Seminary in Kitchener, Ont.; the Rev. Robert J. Wolfe and the Rev. Cleon Prowell, West Fairview, and L. Lee Lehman, a candidate for the ministry at the Lutheran Theological Seminary, Gettysburg.

Dr. Manges retired from the ministry after serving in Harrisburg since 1905. He was graduated from Gettysburg College in 1897 and from the Seminary here in 1900.

Two Hanoverians Injured In Crash

Mr. and Mrs. Wallace Kutz, Hanover, suffered cuts and bruises when their automobile and another car collided at Queen and King Sts. in Littlestown at 11:15 p.m. Sunday.

The injured were taken in the Littlestown ambulance to the Hanover Hospital where they received emergency first aid treatment and were released.

Littlestown Police Chief Calvin W. Mummert reported the Kutz car, traveling east on King St., struck a car operated by Fred Koehler Jr., Baltimore, broadside as the latter vehicle entered the intersection on Queen St.

The Koehler auto was described as a complete loss. Damage to the Kutz vehicle was estimated at \$450.

Unwilling Turkey Makes Good Escape

Five-year-old Mary Robinson, daughter of Mr. and Mrs. Tim Robinson, had what might have been a narrow escape with turkeys.

She was one of 15 pupils of the kindergarten at Christ Lutheran Church who visited the George Steinberger turkey farm near Fairfield Monday. The pupils were inside the turkey pens, mingling with the gobblers, some of which were almost as tall as the youthful visitors. When they left the pen and the gate was closed, Mary, whose jacket blended well with the color of the turkey plumage found herself locked in.

She was not silent about it and her protests brought her release. Each of the youngsters gathered a sizable bouquet of turkey feathers and these they used to make Indian headdresses when they returned to their school.

"IGNORANCE"

As sure as we are thankful for knowledge we acquire . . . we should give thanks for ignorance . . . that keeps our dreams afire . . . for when a man is ignorant . . . he has the urge to try . . . to see what lies beyond the wall . . . that looms so very high . . . take children for instance . . . what gives them will to learn . . . it's the things they do not know . . . that make them show concern . . . don't hide a person's ignorance . . . instead give him a hand . . . it takes some people longer . . . to fully understand . . . give thanks for all that you have learned . . . but never once forget . . . ignorance has paved the way . . . with its crude alphabet.

American Jews, currently is asking aid for reconstruction and rehabilitation programs for recent refugees and other needy people abroad.

In fighting poverty, disease, hunger and homelessness at the individual level, these programs of our religious faiths make a vital and unique contribution to peace, strengthening the bonds of spiritual brotherhood between Americans and their neighbors abroad.

From these specific efforts for which support is asked and through other of their programs, our religious overseas relief agencies minister to many millions of victims of war, famine, disaster and aggression, distributing hundreds of millions of pounds of food, clothing and medicines to needy and hungry people in virtually every free country of the world, supporting orphanages, clinics, hospitals and many programs of rehabilitation.

Operated to a great extent abroad through dedicated voluntary assistance, the relief programs of our religious faiths actually account for more than 80% of all of America's voluntary overseas relief efforts and are carried on at lowest possible cost.

In their 1958 free distributions of U. S. surplus foods, for instance, the religious agencies' shipments abroad will approximate a billion and a half pounds of agricultural commodities on a ratio of more than three hundred pounds of food for each \$1.00 of contribution.

As Americans respond through their houses of worship to the current overseas aid appeals of their religious faiths, they are indeed acting in the true spirit of Thanksgiving Day.

And for those in distress abroad to whom they thus make assistance possible they will be making every day in the year a day of thanksgiving.

McSherrystown Man Promoted Abroad

Robert C. Hagerman, 24, son of Mrs. Margaret Hagerman, 7 N. Second St., McSherrystown, recently was promoted to specialist four in Germany, where he is a member of the 4th Armored Division Artillery.

Riegle, Gettysburg superintendent of schools, outlined the manner in which the Recreation Association had reimbursed the school board for its part in the recreation program.

Since the inception of the program the school board has paid the salaries of the instructors and recreation director and then in turn has received about a fifty per cent reimbursement from the state, and the remainder from the recreation association.

The same procedure is planned under the new set-up with the borough council to provide the local reimbursement to the school board. According to the discussion Monday night it is anticipated that council will set a regular schedule for the payments to the school system.

Because of the state reimbursement to the school board for instructional service the program costs the town about half of the amount it budgets.

Recreation Director Chester Hilger at Monday's session outlined preliminary plans for the junior basketball program and other winter programs which will begin in the near future.

December 29 was listed as the date for the next meeting of the Recreation Board.

3 TANEYTOWN YOUTHS HURT

In an auto accident which occurred shortly after midnight Sunday morning a 1948 Chevrolet, being driven north on Maryland 27, went off the highway a little more than one mile north of Mt. Airy, Md., and Chief Edward N. Rimby, of the Mt. Airy Fire Department, said the car knocked down three fence posts and rolled over three times. The car was totally wrecked.

Frederick Memorial Hospital reported two persons were admitted for treatment following the accident. Both of them were taken to the hospital by the Mt. Airy ambulance.

The injured were listed by the hospital as Carroll E. Koonitz, 17, and Michael G. Klein, 19, both of Taneytown R. 1. Both were admitted as patients after being treated for lacerations and abrasions. Koonitz was reported as improved today and Klein satisfactory.

The accident was investigated by Trooper Herb Snyder of the Randallstown State Police Barracks.

Mt. Airy firemen said another occupant of the car, identified as John Angel, about 19, of Taneytown, also was treated for a face laceration.

TWO NOMINATED

Kurvin Burgard was nominated a deacon and Glenn Snyder has been nominated an elder by the St. Paul's Reformed Church Consistory, East Berlin, at a recent congregational meeting. The election will take place at a congregational meeting on December 7 during the service of worship. The installation service will be held on December 21.

BOARD OKAYS

(Continued From Page 1)

Officers Re-elected

President Curtis S. Sponseller, a member of the Lower Adams Joint board, was re-elected president of the county board. Also re-elected were William M. Lott, of Bermudian Springs board, vice president, and Earl B. Hartzell, of Fairfield Joint Board, second vice president. Each was named to serve a term of one year, beginning in January.

J. Faber Wildasin, of the Lower Adams Board, was re-elected secretary for a four-year term. The remaining officer is Treasurer Lloyd E. Crouse, of the Littlestown Joint board. Election of the board treasurer is not held on the calendar year basis as are other officers, but is held in May with the term starting coincidental with the beginning of the fiscal year in July.

The county board recommended to the State Council of Education the annexation of about eight acres of Germany Twp. to the Littlestown borough school district. The tract is that which the borough has acted to annex and is the tract along N. Queen St., Littlestown, on which the Super Thrift Market building has been erected.

Not Automatic

Annexation of the land by the borough does not automatically transfer the land between the school districts. Action on such transfer is taken only by the State Council which requests the recommendation of the county board prior to its decision.

It was decided that the county board will not meet on its next regular scheduled date, December 22, because of the proximity of the holiday, unless some urgent business not now anticipated should require its attention.

Superintendent Keefe said that possibly, if some matter requiring board attention should arise, it can be taken care of at the time of the convention of the Adams County School Directors' Association December 12 in New Oxford.

A small amount of ammonia added to warm water and used as a rinse will help remove fish and onion odors from flatware and dishes.

LITTLESTOWN — Erma J. Arentz was leader at the meeting of the Christian Endeavor Society of Christ United Church of Christ, held on Sunday evening at the church. The program was as follows: group hymns, "Come, Ye Thankful People" and "Fair-est Lord Jesus"; Scripture, Freda Arentz; prayer, the Rev. G. Howard Koons, pastor; vocal solo, "Bless This House," Mary Jane Arentz; topic "We Must Be Spiritual," discussed by Clyde L. Sterner; hymn, "Bringing In The Sheaves," business in charge of the vice president, George Koons; secretary, Shirley A. Gerick; closing song, "God Be With You;" Lord's Prayer and C. E. benediction.

A film, "Wait A Minute" was shown at the meeting of the Luther League of St. John's Lutheran Church, held on Sunday evening. The program opened with a hymn, accompanied on the piano by Joyce Strevig; Scripture, Susan Strevig; topic, "A Mighty Fortress Is Our God," was discussed by Susan and Joyce Strevig. Plans were made to have a Christmas social on Sunday evening, December 7. Mrs. George Trump and son, David, will be leaders for the meeting next Sunday at 6 p.m.

Carolyn Cramer was leader and discussed the topic "I Thank You" at the meeting of the Senior High Youth Fellowship of Redeemer's United Church of Christ on Sunday evening at the church. The worship service included the call to worship and Scripture reading, Carolyn Cramer; prayer, Sandi Hawk; group hymn, accompanied by Sandi Hawk; offering; offertory prayer, Sharon Flinchbaugh. The date and place of the next meeting will be announced later.

Final plans for a hayride were made at the meeting of the Junior High Youth Fellowship of Redeemer's Church, held on Sunday evening at the church. The hayride for members and their guests will take place on Wednesday evening, leaving at 7 o'clock from the church. Carol Long was leader for the discussion of the topic on "Friendship." The devotions included the Scripture reading, Steven Basehoar; poems, Ann Kroh, Larry Myers and Terry Arbogast; offertory prayer, Marilyn Miller; benediction, Thomas Staveley. At the close of the business, there was a group game. The next meeting of the Fellowship will be held on Sunday, December 7, 6:30 p.m.

News From Nearby Counties

FRANKLIN COUNTY

Dial telephone equipment went into service in the Mont Alto area Monday morning and subscribers rushed to use the new equipment. The United Telephone Co. noted that the volume of calls during the morning was about three times normal.

State police in Franklin County are investigating weekend robberies at two service stations.

The Trail Service Garage, along the Sunshine Trail near Rouzerville, operated by John Fridinger, was forcibly entered and change was taken from the cash register and from the coin box of a pinball machine. A window in the rear of the building was broken to gain entrance. Police set foot and property damage at \$16.

At Gelsinger's Mobile Service Station, Greenvillage, thieves broke open the coin box of a soft drink vending machine but secured no loot.

William Steck, 56, Chambersburg, suffered a fractured right elbow and fractures right kneecap, along with other injuries, when he tripped and fell while giving chase to a group of boys who had made taunting remarks. He was treated at the Chambersburg Hospital where he was taken by ambulance.

CUMBERLAND COUNTY

Plans for the proposed \$1,500,000 court house building in Carlisle were presented by the architect to the Cumberland County commissioners at their meeting Monday. County officials were invited to inspect the drawings.

Another of Cumberland County's covered bridges may have to surrender to progress. The Department of Highways has approved county plans to replace the wooden bridge with a pre-stressed concrete span.

YORK COUNTY

York County commissioners announced plans to replace the 62-year-old steel truss bridge which carries College Ave. over the Codorus Creek in York with a pre-cast pre-stressed concrete span at a cost of \$250,000.

With the prospect that its goal would not be met by about 11 per cent, the York County United Fund board is considering setting up a study to determine priorities among the member services and agencies. It was estimated that the campaign will produce \$735,000. The goal is \$828,561.

FIFTY YEARS AGO

The Cattle Disease: Local stock-
men, butchers, dairymen and
farmers — in fact the public in
general — are greatly interested in
the outbreak of aphthous fever,
or foot and mouth disease, among
cattle in this state.The "epizootic" as some call
the disease, for short, has now
appeared in nine counties of
Pennsylvania, and the Federal
Government has declared a
quarantine against the shipment
of cattle out of and into New
York and Pennsylvania.**General Local Jottings:** Miss

LEARNING FROM THE
HUMBLEThe great of this earth are not
fastened to pedestals, but on orna-
ments and made conspicuous in
many a form. No. We can leave
that to the "high and mighty"
and to the example of warriors.
We pass the genuine great on our
walk to the work of the day. Who
is to know their destiny or iden-
tity?The humble in this life are not
proud. They have no desire to
exact anything from another that
already belongs to that one. The
low and humble often put us to
shame because of their fine ex-
pression of unselfishness and gen-
uineness of character. They are
the ones who do the largest per-
centage of the work of the world!We can learn from these con-
temporary and potential friends
of ours, who pass us silently on
the street, in buildings and on
trains and buses. It is not diffi-
cult to imagine many of these peo-
ple as among the potential great.
Here and now, the way it works
is that if there are enough ex-
perienced reviewers, who tackle
a promising item, that writer may
become famous, but entering
greatness is another matter!The great books teem with the
characteristics and humanness of
the many. Many of these go to
their graves, however, unheralded
and unknown! The great heroes
of literature are those of humble
origin, but nevertheless true to
the type. As in life a great char-
acter never dies. There is some-
thing else to a masterpiece that
makes it chosen for immortality!
And it doesn't matter what that
masterpiece may be—a book, a
painting, or perhaps but a humble
poet, like Keats, Robert Frost,
or Poe.We learn so much more from
the humble, for they live a more
natural life, and often the more
inspiring. Greatness is more than
an "item."Tomorrow Mr Adams will talk
on the subject: "Living for a
Purpose"Protected, 1958, by The George

Just Folks

A TURKEY LESSON

The turkey struts upon his way
As blithe as he can be.
The coming of Thanksgiving Day
He does not wait about his luck,
He does not wait about his luck,
Nor spread gloom in his tracks,
He never gives one dismal cluck
Until he feels the ax.Now from the turkey we could
get
A lesson if we'd try;
And it is not to grieve or fret
O'er danger lurking nigh.Let us go smiling on our way,
Nor let our smiles relax,
And save our growing till the
day

We really feel the ax.

Votes Challenged
In York CountyYORK, Pa. (AP)—A hearing is
scheduled Dec. 17 on a petition
challenging the vote of three suc-
cessful Democratic candidates in
the Nov. 4 election.
The petition, charging votes
were purchased, was presented to
Judge George W. Atkins Mon-
day by a group of York voters.
It asked the court to throw out
votes cast for James M. Quigley,
for congress; Harry E. Seyler,
for state senator, and John R.
Gailey Jr., for the state House of
Representatives.The petition, signed by 21 voters,
asked the court to rule in favor
of the Republican candidates, S.
Walter Stauffer, for Congress; Roy
W. Smith for senator and Kenneth
L. May, for the Legislature.The petition challenging the le-
gality of the election charged the
"election and return thereof are
false, fraudulent and untrue for
the reason that voters were paid by
check signed by J. R. Gailey Jr.,
treasurer of the York County Dem-
ocratic organization.

Bullets Open 26-Game Basketball Schedule Against Temple Monday

Gettysburg College opens its 1958-59 basketball season next Monday evening when it opposes Temple, defending NCAA Eastern champions, in the second game of a double-header at the Palestra, Philadelphia. Villanova opposes Lemoyne in the opening game at 7:30.

Bob Hulton, starting his second year as Bullet coach, has a nucleus of six veterans including Del Warfel, 6-6, leading scorer and rebounder last season, Frank Grzelecki 6-5, Walt McGowan 6-3, Jack Hathaway 6-0, Marty Kaye 6-0 and Walt Melnick 5-8.

Up from last year's jayvee squad are several promising candidates including Ron Fitzkee 6-3 who was the top scorer for the frosh; Bill Hensing 6-3, Phil Graham 6-0 and Jerry Long 5-10.

Transfers To Help
In addition Hulton will have available a pair of transfers from York Junior College. John Warner, former York High and YJC ace, is scheduled to see plenty of action and may clinch a regular berth. Bob Henry, who also played at York Junior College after starring at Spring Grove, is another lad making a strong bid.

The Bullets have been working hard since early in November and Coach Hulton said he is "reasonably certain" the Bullets will be better than last year when they turned in a 9-15 record.

One of last year's shortcomings has been receiving the attention of Hulton. Time and again last season the Bullets went into scoring and playing lapses which extended as much as 10 minutes. Hulton is seeking a combination that can go full speed throughout.

Temple Rebuilding
The Bullets' first opponent, Temple, has only one starter back from last year, Bill Kennedy, but the Owls have some brilliant prospects who may keep them in the running for title honors again this season.

Gettysburg makes its home debut against Hofstra Saturday evening, December 6.

The schedule:
December 1, at Temple; 4, at Bucknell; 6, Hofstra; 10, Albright; 12, at Villanova; 15, Muhlenberg; 16, at Penn State.

January 5, Susquehanna; 7, at Navy; 8, Johns Hopkins; 10, at Lehigh; 12, Lebanon Valley; 14, Dickinson; 17, at Scranton; 31, Bucknell.

February 5, Delaware; 7, Lehigh; 11, F. & M.; 14, at Muhlenberg; 17, at Dickinson; 19, Juniata; 21, at Lafayette; 25, Elizabethtown; 27, at Wagner; 28, at Upsala; March 4, at F. & M.

FOLLEY WINS BOUT DESPITE 'LONG COUNT'

By JOHN FARROW

Associated Press Sports Writer
LEICESTER, England (AP) — Heavyweight contender Zora Folley of Chandler, Ariz., today found himself with a new tag — the man who beat the British "long count."

It happened Monday night in his winning fight against Joe Bygraves of Jamaica, the former British Empire heavyweight champion.

The 27-year-old American floored Bygraves for a nine count in the second round. Then came the controversial delay of a second or two in the referee's count. Bygraves got to his feet and the fight continued.

No Explanation
There was no official explanation of the "long count," but it seemed to stem from a misunderstanding between Scottish Referee Frank Wilson and the timekeeper.

Folley, the third-ranked challenger for Floyd Patterson's world title, toyed with Bygraves. He threw 10 punches for every one by the Jamaican and left his opponent with a badly bruised and almost closed left eye.

Referee Wilson stopped the fight with one second remaining in the ninth round. The bout was scheduled for 10.

The controversial knockdown was the only one of the fight. Folley had a 6-1 lead after eight rounds. The Associated Press scorecard. The American weighed 191½, Bygraves 203½.

February 3, St. Thomas, away; 6, Fannett-Metal, home; 10, Littlestown, home; 13, Bermudian, away; 17, New Oxford, home; 20, Big Spring, home; 24, Biglerville, away; 27, division tie playoffs, if needed; March 3, league title playoff.

25 PA. TEAMS HAD WINNING GRID SEASON

PHILADELPHIA (AP) — Twenty-five of Pennsylvania's 51 football playing colleges won more games than they lost in the 1958 season, Associated Press statistics showed today.

Nineteen teams had losing seasons and seven, including Penn which still has a game remaining, have 500 records.

The best records was an 8-0 log by California, which won the State Teachers College Conference title, unbeaten in 20 games. Juniata, unbeaten in 20 games, had seven wins and a tie. Next was West Chester with nine wins and a loss to major independent Villanova.

Some Not Finished
At the other end of the scale were Temple, Ursinus and Cheyney, losers in all eight of their starts. Wilkes and Bucknell each won one and lost eight games.

In between were six clubs with balanced records, including a Lehigh unit that won three, lost three and tied three.

Muhlenberg, Moravian, Dickinson, and Shippensburg split in eight games and Kutztown was 3-3-1.

In addition to Penn, Pitt and Penn State also have a game remaining, against each other. Both are 5-3-1.

LAKERS' STAR IS TOP SCORER

NEW YORK (AP) — Elgin Baylor, of Minneapolis, already entrenched as an established star in his first year in the National Basketball Assn., has moved into first place in the league's scoring race.

The former Seattle All-American scored 97 points in three games last week and became the first rookie in three years to top the scorers. Baylor has amassed 382 points in games through Sunday — a 25.5 a game average — for a 17-point margin over Detroit's George Yardley. Yardley is the defending champion.

Not since 1955 when Frank Selvy was playing for Milwaukee and Baltimore has a rookie been able to edge in front of the veterans at any stage of the scoring race.

League statistics released today also revealed that Bob Pettit of St. Louis is pouring in points at a more prolific clip than any other pro star, but is third in scoring. The Hawk standout has a 28.7 a game average for 344 points. He has played in only 12 games, three less than the leaders.

Paul Arizin of Philadelphia is fourth with 332 points. He has compiled a 27.7 average, which places him right behind Pettit in that department.

Indians Schedule Fewer Spring Tilts
CLEVELAND (AP) — General Manager Frank Lane announced today the Cleveland Indians will play a spring training schedule of 29 games — eight fewer than last spring.

Four of the 37 games on the schedule last March and April were "B" squad games. No such contests are scheduled for the coming spring.

The homeward trek with the San Francisco Giants will be only a five-game affair with stops at Salt Lake City, Denver, Topeka, Des Moines and Omaha. Last April the Tribe's barnstorming trip East included nine games, the first six in Texas.

GRID TITLE IN SNARL AFTER SCHOOL FUSS

SHENANDOAH, Pa. (AP) — When is a school not a school? The East Penn scholastic football conference may have to resolve that issue Saturday when it meets in Hazleton to name its official division champions for the 1958 season.

It all depends on the outcome of the Mount Carmel - Shamokin game on Thanksgiving Day, although neither team is directly involved in the simmering controversy over the Southern Division championship.

Cause Of Argument
Should Mount Carmel defeat or tie Shamokin, then Shenandoah, listed in second place in the official ratings, plans to claim the division title and the right to meet the northern champion Dec. 6 for the conference crown.

The argument arises over still another school (or ex-school), West Mahanoy Twp.

Shenandoah opened its football season with a 34-12 victory over West Mahanoy. The following week the school canceled its schedule and closed its doors due to an impasse over unpaid teachers' salaries. The pupils were transferred to other schools, including Shenandoah.

"Nothing To It"
Supt. John J. Downey of Shenandoah said Shenandoah is including the West Mahanoy Twp. game in its computing ratings for the season. The conference has not been.

Including the West Mahanoy Twp. game, Shenandoah currently leads the division with a 636 rating. Without the game, Shenandoah's rating is 600. Mahanoy City's rating is 623.

Shenandoah's claims drew little sympathy from conference president Frank Thornton. "There's nothing to it," he said.

Can't Be Penalized
Shenandoah can't include the West Mahanoy game, he said, because the latter didn't fulfill the requirement that it play five conference games.

"Of course the conference could overrule me," he added, "but if they try to include the game the rest of the conference will certainly throw it right out."

Downey said, however, that the conference rule book also stipulates that a team shall not be penalized for scheduling an opponent that fails to fulfill the five-game requirement.

Doesn't Exist
Later, Thornton advised Shenandoah officials of his own thought on the matter, adding that the Department of Public Instruction told him West Mahanoy no longer is considered to exist as a school.

Based on a Mount Carmel win and including the West Mahanoy game, Shenandoah would wind up with a 643 rating. A tie would give it a 628 rating. Mahanoy City's rating would not change no matter what happens Thanksgiving Day. Without the West Mahanoy game, the best Shenandoah can hope for, with a Mount Carmel victory, is 605 as a final rating.

Neither Shamokin, the division's only unbeaten team, nor Mount Carmel has a chance to pass the two leaders by winning Thanksgiving Day. Mount Carmel, after winning its first eight games (including a 40-6 triumph over Mahanoy City), lost on successive weekends to Shenandoah and Sunbury in upsets. Shenandoah, in turn, was upset by Mahanoy City, 7-0, in its final game two weeks ago. The Mount Carmel game is the only blot on Mahanoy City's record.

Argentine Boxer Wins 15th Fight

NEW YORK (AP) — There is a new ringside chant at the boxing clubs. It goes like this: "Zal-a-zar . . . Zal-a-zar."

The cheers are for Victor Zalazar, a rangy middleweight from Argentina who has won 15 straight and never fought the scheduled distance.

Zalazar stopped his 15th opponent Monday night at St. Nicholas Arena. Frank Keating, a chunky 161-pounder from Wallingford, Conn., was the victim in 21 seconds of the eighth round.

Keating bled from cuts around both eyes, the nose and mouth. Referee Arthur Mercante finally stopped it in the eighth.

Matchmaker Teddy Brenner will try to pair Zalazar, 156, with Cuban Benny Paret on his Dec. 15 show. Paret outpointed Barry Allison of Springfield, Mass., on Monday night's prelim card.

Duncan At Iowa
Purdue, which finished with a 6-1-2 record, and 3-1-2 in the Big Ten for fourth place, named senior end Tom Franchkhauser most valuable. Iowa picked quarterback Randy Duncan and Illinois chose center Gene Cherney.

Capt. Mike Rabold, senior guard on Indiana's surprise Big Ten outfit, got the nod from his teammates. His defensive play was credited with helping the Hoosiers to their best season since 1947. Indiana finished with a 5-3-1 record and was fifth in the Big Ten with a 3-2-1 mark. Sammy Williams, an end, was the MSV pick.

There still is the present business of prepping for games this weekend, and a few on Thanksgiving. All are traditional contests with Army-Navy in Philadelphia on Saturday heading the list.

Anderson Okay
The Cadets have promised that halfback Bob Anderson will be ready for full service after recuperating from a couple of banged up ribs suffered against Villanova two Saturdays ago.

Penn and Cornell meet in Philadelphia Thanksgiving Day. The Quakers wound up heavy drills Monday, setting up defenses to stymie Cornell quarterback Tom Skyeck's passing.

Cornell also ran through defensive maneuvers.

Irish Guard Doubtful
Halfback Rene Ramirez rejoined the Texas Longhorns in time for their Turkey Day clash with Texas A&M and took part in a light workout. The Aggies went through a dummy drill.

Clemson, which probably must soundly defeat Furman Saturday if it hopes to go to either the Sugar or Gator Bowls, skipped field practice Monday and watched movies of Furman's games. Furman went through a hard workout.

Notre Dame guard Jim Schaaf was on the doubtful list for the Irish closer in Los Angeles against Southern California Saturday.

Schaaf, out part of the season with an infected ear, suffered a pulled hip muscle against Iowa last Saturday.

CHICAGO (AP) — The Chicago White Sox will play 23 night games at home this season, meeting each of their American League opponents at least twice.

The first night game for the 1959 season will be against the world champion New York Yankees April 28, the earliest ever scheduled by the Sox.

Says Cage Game Can't Buck Football
BOSTON (AP) — Ned Irish, executive vice president of the New York Knickerbockers, says the National Basketball Assn. would be foolhardy to buck college and pro football on the West Coast.

Irish said at a basketball luncheon Monday that football on the West Coast draws as many as 100,000 to a single game "and nothing else sportswise can exist."

"Their season is very long, too," he said. "When's that pro bowl game? Jan. 12? Half of our season is gone."

MANY GRIDDERS HAVE FINISHED 1959 SEASONS

By JACK CLARY

Associated Press Sports Writer
The 1958 college football season has hit the past, present and future stage with performance awards, game preparations and new captaincies highlighting the beginning of the final week.

Half of the nation's teams finished their season last weekend and only a handful will continue after games Thanksgiving Day and Saturday.

The past was represented at five Big Ten universities, Purdue, Indiana, Iowa, Illinois, Michigan State where most valuable players were chosen on the basis of season performances.

Duncan At Iowa

Air Force Waiting Until After Final Game Before Accepting Bid To Bowl

By ED WILKS
Associated Press Sports Writer.

The Air Force Academy, precocious and coy, appears ready to climax its leap from obscurity to limelight by filling a Cotton Bowl berth. Washington State has asked permission to leave its own back yard. And Rutgers is worried about wrestling schedules.

That's a brief look at the way things shape up today for the year-end college football bowl games.

Two of the five major bowls are filled—the Rose and Orange. But only one, the Gator, is without even one team.

Here's the card at the moment: Rose—Iowa (7-1-1) vs. California (7-3).

Orange—Oklahoma (8-1) vs. Syracuse (8-1).

Cotton — Texas Christian (8-1) for sure vs. Air Force (8-0-1) probably.

Sugar — Louisiana State (10-0) for sure vs. Clemson (7-2) possibly.

Gator — Playing a waiting game.

Seek Buffalo
Among the other major college bowls, the Sun is half filled after getting an acceptance from Wyoming (7-3). The Blue Grass has been snubbed by Kentucky and the Tangerine hopes for an acceptance today from Buffalo (8-1). (Next year Gettysburg plays Buffalo on its regular schedule.)

Air Force appears the best bet to land a berth among all the teams scrambling for someplace to go. But the brass won't make up its mind publicly until after Saturday's game with Colorado.

The Air Force can have its pick of the Cotton, Gator and Tangerine.

The Cotton Bowl host, TCU, made it as Southwest Conference champ, an automatic bowl bonanza such as those picked up by Iowa, California and Oklahoma when they won the Big Ten, Pacific Coast and Big Eight championships. LSU, the nation's top-ranked team, is the Southeastern Conference champ, but while that title usually carries Sugar Bowl rights, it's no outright guarantee.

The Blue Grass, turned down by Kentucky in a squad vote, has quite a list of potential guests for its debut in Louisville Dec. 13. Among the teams on the list is Rutgers.

The Knights have record, will play, but want to know quick because of scheduling commitments for winter sports.

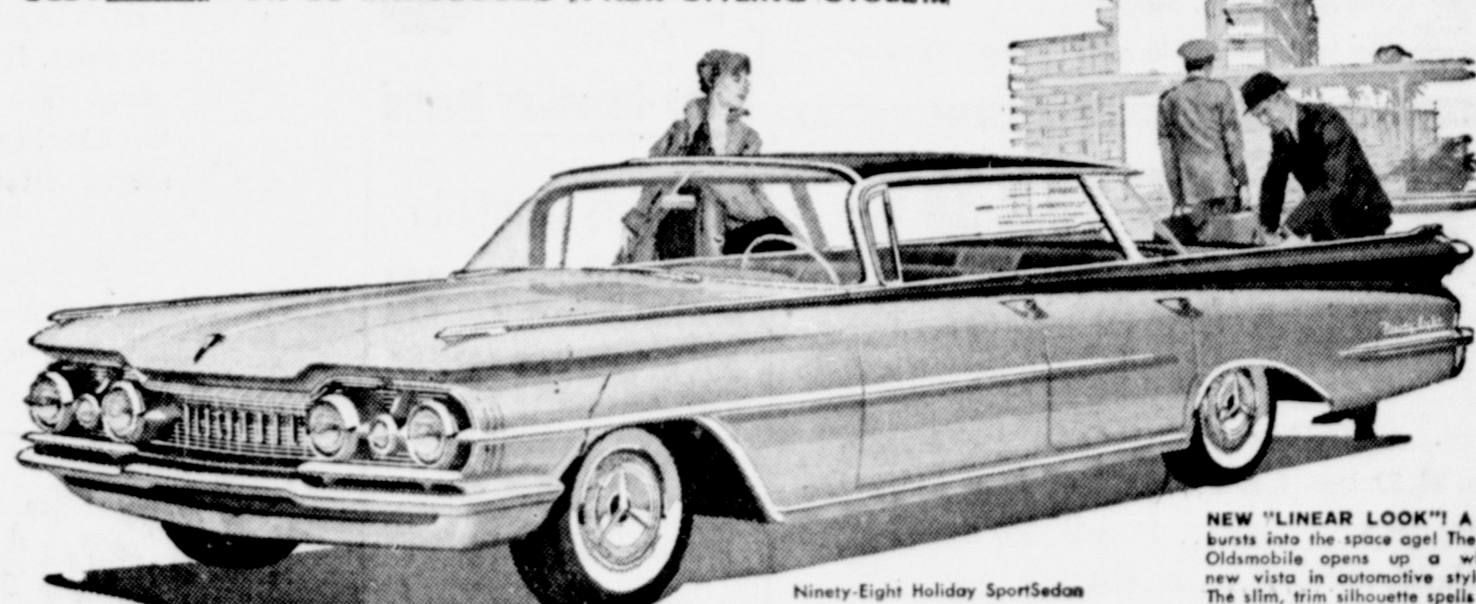

Many "Candidates"
The Blue Grass committee is also considering Alabama, North Carolina, Pitt, West Virginia, Florida, Georgia Tech, Florida State, Clemson, Tulsa, and Cincinnati. Alabama is a "top choice."

Southern Methodist could be a prime choice for the Gator if it upsets TCU this weekend — but that might nail the Mustangs a Sugar Bowl bid too.

Florida State is an unofficial choice to face Buffalo in the Tangerine Bowl at Orlando, Fla., Dec. 27. Mississippi Southern State, Texas State, Tulsa, Miami (Ohio) and Virginia Military also are prospects.

SAYS LIBERALS IN GOP SHOULD BE RECOGNIZED

By JACK BELL
WASHINGTON (AP)—Sen. John J. Williams of Delaware, a Republican conservative, said today he thinks the party's liberals are entitled to share in leadership of the sharply reduced GOP contingent in the Senate.

Williams was one of the few Republican conservatives who breathed the election tide which swept 13 new Democratic senators into office.

"I think everybody is going to be represented in the leadership," he said in an interview.

Pick Men Of Quality

"We will pick men of quality and soundness who can help us get a solid, united party ready for the job that is to be done."

Williams spoke out after Sen. John Sherman Cooper (R-Ky.) served notice in a statement he intends to demand "more vigorous representation of the progressive views of our party."

Cooper's statement was interpreted as indicating he is receptive to a proposal by Sen. Prescott Bush (R-Conn.) that Cooper be given one of the GOP leadership posts when the new Congress convenes in January.

This pointed to the possibility of a split among the Republican liberals. Several of them already are understood to be committed to Sen. Thomas H. Kuchel of California as their representative in the leadership.

The GOP liberals in the Senate are still outnumbered by their more conservative Republican col-

TWO MEN ARE ELECTROCUTED

DUNCANNON, Pa. (AP)—Two men attempting to relocate a television antenna were electrocuted Saturday when the antenna came in contact with a 2,700-volt power line.

The accident occurred at the home of one of the men in Perdx, about two miles from Duncannon in Perry County.

Two other men were injured trying to rescue the victims and the residence was damaged by flames started when sparks flew from the live wire.

Killed were:

Rueben J. Engle, 46, Perdx, and Charles Kotzmeyer, a boarder at the Engle home.

John W. Lay and Frank H. Hart, both of Perdx, suffered first and second degree burns of the hands and arms in the rescue attempts.

QUAKERTOWN, Pa. (AP)—A young pilot was injured critically Sunday when his light biplane struck a high tension line while landing.

The pilot is Gerald H. Hooper, 26, of Roseland, N.J. His plane crashed in flames in a field near the Quakertown Airport.

He was pulled from the wreckage of his single-engine plane by two other pilots who had just landed at the airport.

leagues. Thus they are unlikely to challenge the elevation of Sen. Everett Dirksen of Illinois from whip to floor leader. Dirksen would succeed Sen. William F. Knowland, who retired to run for governor of California and lost.

If Dirksen gets the top post, the liberals want one of their number as second in command in a new job of assistant leader which may be established.

Orrtanna

ORRTANNA — The Rev. La-mont A. Woelk, pastor of the Fairfield Mennonite Church, will be guest speaker at the thank offering service at the Mt. Carmel EUB Church Sunday evening at 7:30 o'clock. The Rev. Alfred T. Gotwalt is pastor.

Mrs. William Howe will be hostess to the Women's Mission-ary society of the Mt. Carmel EUB Church at the monthly Bible study session December 2 at her home on Orrtanna R. 1. Mrs. C. G. Crist will be the leader.

Mr. and Mrs. James Baker, children, Naomi and Barbara, Finksburg, Md., visited Sunday with Mrs. Baker's grandmother, Mrs. Luther Myers.

Mr. and Mrs. James Donaldson had as Sunday guests Mrs. Donaldson's sister, Mrs. Mattie Eichman and daughter, Jean, Mr. and Mrs. Charles Kittinger, brother and sister-in-law of Mrs. Donaldson, and their daughter, Brenda, and Mrs. Ruth Bushong, all of Lancaster.

Mr. and Mrs. Louis Shulley, this place, and Mrs. Ruth Harmon, Fairfield, visited on Sunday with Mr. and Mrs. George Rock, brother-in-law and sister of Mr. Shulley and Mrs. Harmon, Waynesboro, R. D.

Mr. and Mrs. Mark Saum and Howard Saum spent Sunday as guests of Mr. and Mrs. Jacob Vandreaux, Waynesboro R. 1. Mr. Vandreaux is a nephew of Mrs. Mark Saum.

Mr. and Mrs. Dale Doutrich, daughters, Rene and Tresa, Hel-man, York County, were Sunday guests of the Rev. and Mrs. Alfred T. Gotwalt and son, Kenneth.

Many persons from here attended the viewing of Paul W. Zimmerman, at the Sellers Funeral Home in Chambersburg Friday evening. Mr. Zimmerman, who formerly resided here for many years, died at the Chambersburg Hospital on Wednesday.

Work is progressing nicely on the new dwelling being erected on the Mervin Herring farm, Orrtanna R. 1, to replace the one destroyed by fire last winter. Willis McCadden, Gettysburg, is the contractor.

AUSSIES FEAR TENNIS SHIFT

By GORDON TAIT

SYDNEY, Australia (AP)—Aus-tralian tennis has an assembly line of amateur talent second to none. But folks hereabouts are wondering today whether it might be too slow to offset the probable loss of Ashley Cooper and Mal Anderson to the pros.

When promoter Jack Kramer and his Yankee dollars lured away Aussie Davis Cuppers Frank Sedgman and Ken McGregor, Australia didn't like it. Lew Hoad and Ken Rosewall stepped in to keep the country No. 1 in the tennis world.

When Hoad and Rosewall succumbed to Kramer's bid, Cooper and Anderson took over.

National Sport

What happens if and when Cooper and Anderson join Kramer's troupe, the Australian tennis fan would just as soon not discuss.

Since tennis is the national sport here, you'll probably find more attention being paid to the likes of Roy Emerson, Rod Laver, Bob Mark, Neale Fraser and other "second stringers" in the tournaments leading up to the Davis Cup challenge round late next month.

OLSON, YOUNG MEET TONIGHT

OAKLAND, Calif. (AP)—Bobo Olson and Paddy Young, two 30-year-old boxers who made their fame as middleweights, collide tonight on the comeback trail as light heavyweights.

Olson, the former world 160-pound champion, is favored to whip the New York Irishman as he did five years ago for the American title.

Bobo stopped Don Grant and punched him into the hospital in his first bout in this comeback and looked impressive 173 pounds. Young, 167, fought to a draw a month ago against Otis Woodward in New York in his initial outing after a three-year layoff.

The Oakland Auditorium 10-rounder will not be televised.

Olson's record is 67 - 10 - 0; Young's 49-12-4. Bobo stopped 31 foes, Young 24.

Springfield Line Top Hockey Scorers

NEW YORK (AP)—The Springfield line of Ken Schinkel, Harry Pidhirny and Jimmy Anderson virtually dominates the top positions in the American Hockey League scoring race.

Statistics released today show Schinkel in first place with 39 points in 18 goals and 21 assists for a six-point edge over Pid-

hirny and Buffalo's Bill Sweeney, who are tied for second with 33. Anderson is fourth, two points back.

Schinkel, who scored four points last week — the same as all four leaders — retained his lead in goals. Pidhirny is first n assists with 24. Schinkel has scored at least one point in 20 consecutive games. The league record is 24. Pidhirny was stopped Sunday after scoring in 19 straight games.

Marcel Paille of Buffalo is the league's leading goalie, allowing only an average of 2.32 goals a game.

ORIOLES SIGN FORMER HURLER

BALTIMORE (AP)—Jim Wil-son, who retired recently after pitching 12 years in the major leagues, was signed today to scout for the Baltimore Orioles.

Farm Director James M. McLaughlin said Wilson will be as-signed to cover that part of Cali-fornia south of Fresno, as well as Utah, Arizona and southern Ne-vada. Wilson is a resident of San Diego, Calif.

The 36-year-old right-hander had an 86-89 record in the majors.

The Orioles also announced that Don McShane of San Francisco, a member of the organization since 1955, has been appointed regional scout supervisor in a nine-state Western area.

McShane, 52, spent 15 seasons in the minor leagues as a player and manager beginning in 1926. He has been a major league scout since 1940.

FALSE TEETH That Loosen Need Not Embarrass

Many wearers of false teeth have suffered real embarrassment because their plate dropped, slipped or wob-bled at just the wrong time. Do not live in fear of this happening to you. Just sprinkle a little FASTEETH, the alkaline (non-acid) powder, on your plates. Hold false teeth more firmly, so they feel more comfortable. Does not sour. Checks "plate odor" (den-ture breath). Get FASTEETH at any true counter.

JUDGE EAGEN IN FRONT FOR SEAT ON COURT

By LEONARD A. UNGER

HARRISBURG (AP) — Judge Michael J. Eagen of Lackawanna County appeared a front-runner today for Democratic organization endorsement for an appointment to the state Supreme Court.

Top Democratic policymakers renewed a second straight day of discussions deadlocked on a choice between the 51-year-old Scranton judge and Atty. Gen. Thomas D. McBride.

Gov. Leader made a pitch for McBride, but Democratic sources, who declined quotation by name, said the sentiment seemed to be leaning toward Eagen.

Excellent Judge

Gov.-elect David L. Lawrence described Eagen as an excellent judge when asked about the latter's prospects. He volunteered nothing in behalf of McBride.

But he took the occasion to hold his first news conference on taxes since winning the governorship and:

1. Made it clear that he is again a statewide wage tax.
2. Expressed a viewpoint that most of the Commonwealth's new revenue needs will have to come from expanding the 3 per cent sales tax.

Names Secretary

The Pittsburgh mayor also announced that Walter Giesey, 34, an ex-newspaperman, would be his secretary as governor. Giesey, who will receive \$15,000 a year in his new job, has been the mayor's assistant in Pittsburgh.

Lawrence declined to go into personalities on the complexion of his Cabinet. But he said there was room for Gov. Leader and Lt. Gov. Roy E. Furman if they want to serve in his administration.

Sen. Joseph M. Barr, Democratic state chairman, said the policymakers were prepared to make a recommendation for Senate Democratic floor leader to the 22-member minority bloc caucusing later in the day.

Pledged To Secrecy

But he said the policymakers were pledged to secrecy on their choice, which is expected to lie among Sens. Charles R. Weiner (Phila.), Hugh J. McManemin (Lackawanna), William J. Lane (Washington) and Harry E. Seyler (York).

The vacancy in the floor leadership post was created by the resignation of John H. Dent from his Westmoreland County Senate seat to enter Congress last January. House Democrats, who will barely control the lower branch when the 1959 Legislature convenes Jan. 8, have yet to fix a date for caucus. It is expected to be between Dec. 1 and Dec. 10.

Burglar Escapes From Work Detail

NORRISTOWN, Pa. (AP) — A 24-year-old burglar walked away from an outside work detail at the Montgomery County Prison Sunday.

He was Francis J. Toth, who was serving a nine-month-to-two-year term.

In nearby Reading, Samuel E. Franks, 38, who was assigned to work at the Berks County Welfare Farm, also escaped.

Area-wide alarms were issued for both men.

69 BEARS SHOT ON FIRST DAY

HARRISBURG (AP) — Scattered reports on first-day hunting in the 1958 bear season in Pennsylvania showed at least 69 bears killed despite overcast skies, rain and snow in many sections of the state.

State game officials reported on Monday night that Tioga County led with a total of 17 killed. Lycoming County, consistently one of the biggest bear-hunting areas in the state, followed closely with 16.

McKean County, with only one of three game commission districts heard from, had a total of 11 kills. Clinton County reported nine. Monroe County reported four kills. Forest County three, Carbon and Union Counties two, and one each in Blair, Wyoming, Warren and Potter.

The bear-hunting season ends Saturday. The Game Commission here estimated before the start of the season Monday that about 400 bears would be killed in the six days compared with 294 last year. Most of the bears are located in the north-central section of the Commonwealth.

Contractor Gets Fine, Jail Term

HARRISBURG (AP) — A 57-year-old contractor, convicted of cheating the state out of an estimated \$25,000, was fined \$200 Monday and sentenced to 3 to 23 months in the Dauphin County Jail.

Palmer Evans, president and a director of the B&W Trading Corp. of Lansford, was convicted of making short-weight deliveries of calcium chloride. The ice-melting compound is used on the Pennsylvania Turnpike.

Judge Walter R. Sohn, presiding in Dauphin County Criminal Court, sentenced Evans after rejecting a defense motion to invoke the first Offender's Act and free him on a suspended sentence.

Hobbs Bombing Simple Vandalism

HOBBS, N.M. (AP) — Officials of a bombed integrated school say they have no reason to think racial tensions caused the explosion. "and we hope it was a simple act of vandalism."

One room of the Heizer Junior High School was badly damaged by the explosion of what appeared to be a single stick of dynamite thrown through a window or skylight Sunday night. Damage was estimated at \$2,000.

FBI agents, state police and local officers reported no luck in following out several leads to the identity of the dynamiters.

Principal Rex Haynes said there was no indication that the presence of about 65 Negro students among 611 pupils was the motive for the bombing. The school has been integrated since 1954.

TO TALK OVER EDUCATION ACT

More than 500 officials of colleges, universities and state commissioners of Education in the states of Delaware, New Jersey, New York and Pennsylvania will meet to discuss provisions of the National Defense Education Act, according to Joseph B. O'Connor, regional director of the United States Department of Health, Education and Welfare. The one-day meeting will be held on Wednesday at the Hotel New Yorker in New York City.

Mr. O'Connor said that there is considerable interest in the provisions of the act dealing with student loans, graduate fellowships, foreign language development in elementary and secondary schools and the establishment of student guidance institutes. He pointed out that the response of college and university officials to the announcement of the meeting necessitated last minute efforts to obtain larger quarters in the Hotel New Yorker. Originally, the meeting was scheduled to be held in the Donnell Library Center Auditorium on W. 53rd St.

The New York City meeting, according to Mr. O'Connor, is one of 10 being held by his department in major cities throughout the country in an effort to acquaint higher education officials with the policies and procedures under which the National Defense Education Act will be administered. It is expected, he said, that money for the student loan funds will be distributed to participating colleges and universities no later than February 1, 1959. By the end of the academic year it is also expected that all the programs included in the legislation should be in full operation.

2ND AIRLINE HIT BY STRIKE

By THE ASSOCIATED PRESS

With the Thanksgiving travel rush about to start, a second major airline was struck Monday. Flight engineers and machinists walked off their jobs at Eastern Air Lines.

Trans World Airline had 200 planes grounded in the fourth day of a strike by 6,700 machinists. American Airlines faced a strike threat by its pilots, with a prospect of an operational shutdown after a walkout deadline at midnight Tuesday.

Another labor dispute shut down the Studebaker-Packard automobile plant at South Bend, Ind., today where 7,000 United Auto Workers quit their jobs.

There were strikes also in the farm equipment and tractor industry involving 50,000 UAW employees of International Harvester and the Caterpillar Tractor Co.

The strike of 600 flight engineers at Eastern Air Lines was supported by unions representing some 7,000 other employees. Eastern started preparations for a complete shutdown of its operations in 25 states, Canada, Puerto Rico, Mexico and Bermuda could not continue.

Machinists refused to cross the engineers' picket lines and said they also were on strike.

Lift Regulations On Three Diseases

HARRISBURG (AP) — Dr. Charles L. Wilbar, state secretary of health, said Monday the department decided to remove quarantine regulations from three childhood diseases because the diseases are too widespread to effectively control.

He added that the State Health Advisory Board, which recommended the action nearly two years ago, did not feel it would be harmful to expose other children to the diseases: Mumps, German measles and chicken pox.

The secretary's comments on the 21-month-old change in the regulations was prompted by criticism of the order in a recent issue of Philadelphia Medicine, a weekly journal of the Philadelphia County Medical Society.

HOBBS, N.M. (AP) — The Heizer Junior High School, an integrated school since 1954, was bombed with dynamite sometime over the weekend, authorities discovered Monday.

The damage was confined to one room, in which an estimated \$2,000 of damage was inflicted.

Ft. Duquesne Stamp On Sale Wednesday

A four-cent stamp commemorating the bicentennial of Fort Duquesne will be on sale in the Gettysburg post office Wednesday, according to Jacob Appler, postmaster.

The stamp, printed in Wedgwood blue, is .84x1.44 inches, rotary process printed, electric eye perforated and arranged horizontally. It is being printed in sheets of 50 stamps and the initial printing order is for 120 million stamps.

The stamp features a composite drawing utilizing central figures of an etching by T. B. Smith and of a painting depicting the occupation of the fort by the British. General Forbes is shown in the foreground on a stretcher or litter. Colonel Washington is shown on horseback.

The legend, "1708 Fort Duquesne 1958," appears in Gothic letters on the sides and across the top of the stamp while below is the wording, "U. S. Postage 4c."

This T00 is Texas Eastern ...

Delivering over 500 billion cubic feet of natural gas yearly

That's the annual rate at which Texas Eastern is delivering natural gas to its customers—companies and municipalities—that supply millions of homes and thousands of factories in a dozen or more Midwestern, Appalachian and Eastern Seaboard states.

In just 11 years, average daily deliveries have increased more than tenfold.

In early 1947, a day's delivery was only about 138 million cubic feet of gas. Today, the 6000-mile Texas Eastern natural gas pipeline network can deliver more than 1.7 billion cubic feet of gas daily!

And the demand is growing—understandably.

More and more home owners are switching to clean, economical natural gas for heating, cooking and air conditioning. Industry is steadily finding new uses for this highly adaptable fuel. The demand is outstripping all expectations. Now a new customer—the petrochemical industry—is calling for more and more natural gas. Here natural gas is used as a raw material in manufacturing a fantastically-varied assortment of home and commercial products.

In every direction, the outlook for this once-wasted natural resource grows steadily brighter.

STATE'S SENIOR SYMPHONY IS 30 YEARS OLD

GREENVILLE, Pa. (AP)—One of the oldest community symphonic organizations in the state, if not in the nation, celebrated its 30th birthday last week with a concert in the senior high school auditorium.

Greenville Symphony Orchestra was founded in 1928 and presented its concert the following year. Of the 22 musicians in that original ensemble, six "old guard" members are still active in the present 80-member organization which this year has achieved a full balance of instrumentation for the first time.

The mere fact that a community of less than 10,000 can support a symphony orchestra all its own is rare in itself.

Almost Self-Supporting
Even more unusual is the orchestra's ability to be almost self-supporting.

There is no municipal subsidy. A group of patrons assures the orchestra's continuance by contributing \$25 each year. The balance of the operating funds come from the sale of tickets to concerts.

Graduates of some of the best music schools in the country make up one-fourth of the orchestra's personnel. They come not only from Greenville and neighboring Mercer County communities but

The director is William Loesel, of nearby Jamestown.

50 Rehearsal Hours

Each member of the orchestra puts in about 50 hours of serious ensemble rehearsal during the concert season. This is in addition to long hours spent in home practice throughout the year.

There's no monetary profit in the orchestra. Funds are used to perpetuate the appreciation of fine instrumental music in the community.

This year, for the first time, pupils of the junior and senior high schools seriously interested in music are being offered choice concert seats through an arrangement worked out with local industries.

The annual community Thanksgiving service will be held in the Presbyterian Church Wednesday evening at 7:30 p.m. The sermon will be preached by the Rev. Arthur Garvin, pastor of the EUB Church.

The Rev. and Mrs. William M. Hendrick, York St., and Misses Amelia and Elizabeth Aunan, E. Baltimore St., are attending donation today at the Presbyterian Home in Towson.

Miss Freda Stambaugh and Miss Carol Meneffe, Chevy Chase, spent the weekend with Miss Stambaugh's parents, Mr. and Mrs. Jacob Stambaugh, York St.

Mrs. W. A. McDaniel, Bennettsville, S. C., spent the past week with her son-in-law and daughter, Dr. and Mrs. James Teeter, and family, E. Baltimore St.

Mrs. Minnie Hatch returned to her home in Bluffs, Ill., Saturday after spending six weeks with Mr. and Mrs. Charles R. Clutz, Keysville Rd.

Miss Elizabeth Polk, Warfield, and Mrs. Frank R. Kent, Baltimore, were recent guests of the Misses Pauline and Clara K. Brining, E. Baltimore St.

Norman Hess and his daughter, Catherine, near Harney, visited on Sunday with Rev. Thurlow Null at Pape's Convalescent Home, near Gettysburg.

Dr. and Mrs. George D. Null and their daughter, Kathleen, Newark, Del., will spend the Thanksgiving holidays with their parents, Mr. and Mrs. Wilbert Hess, Emmitsburg Rd., and Mr. and Mrs. Hubert J. Null, R. 1.

Mr. and Mrs. Raymond Hood, Franklin Grove, Ill., spent several days recently with Mr. and Mrs. Charles R. Clutz, Keysville Rd.

Harvey Robinson, who is attending the Pennsylvania School of Law Review in Philadelphia, plans to spend the Thanksgiving holidays with his wife, Mrs. Harvey Robinson, and daughter, Marjory, at the home of his mother-in-law, Mrs. Marcia Ray, Bankard Terrace.

Mr. and Mrs. William Sentz, Frederick St., were Sunday dinner guests of their son and daughter-in-law, Mr. and Mrs. Ralph Sentz, and family, New Cumberland, Pa.

Mr. and Mrs. Harmon Albaugh and family and Mr. and Mrs. Edgar Pledge, York St., visited the Burgoon sisters in Harrisburg Sunday.

Farm Group Elects

The Taneytown Farm Bureau planning group met Friday at the

home of Miss Mary Lou Essig and elected these officers for 1959:

Emmanuel Overholzer, president; William Amos, vice president; Mrs. Hubert J. Null, secretary; Mrs. Paul Brower, assistant secretary; Mrs. Emmanuel Overholzer, treasurer; Mrs. William Amos, assistant treasurer; Mrs. Hubert J. Null, reporter; Harvey Dickinson, discussion leader; Ellsworth Feesser, assistant discussion leader, and Mrs. Harvey Dickinson, song leader.

The discussion for the evening was on "Policy Development Helps." The annual Christmas party was discussed and set tentatively for Tuesday, December 30, with the Harney fire hall or church hall as possible locations.

Refreshments were served by the host and hostess, Mr. and Mrs. Ellsworth Feesser, assisted by Mrs. Norman Reindollar.

Land Fill Opened

A sanitary landfill is reported opened in Carroll County for the use of residents in disposing of their trash and garbage. The disposal facility is located on the Bark Hill Rd. between Uniontown and Union Bridge.

The find the fill, Taneytown residents are advised to turn northwest off the Bark Hill Rd. at the Church of God. The road to the fill has been surfaced with white stone.

PITTSBURGH (AP)—Funeral services will be held Friday in nearby Coraopolis for the Rev. Fred L. Poulson, past Pennsylvania district governor of the Kiwanis International.

The Rev. Mr. Poulson, 64, pastor of the Zion Lutheran Church in Coraopolis for 30 years, died Monday in Sewickley Valley Hospital. He also was past president of the Ohio Valley Conference of Lutheran Churches.

SEEK GROCER'S SLAYER; USED KNIFE 36 TIMES

BUTLER, Pa. (AP)—Law enforcement officials today sought the slayer of a 68-year-old Butler grocer who was stabbed 36 times in a holdup in his small store.

Frank DeMar was found alive Monday night by a customer, Mrs. Thomas Zina, but he died a short time later in Butler County Memorial Hospital.

An autopsy showed death was caused by a knife wound of the heart. Deputy Coroner A. W. Lehnard said DeMar was stabbed 23 times in the chest and 13 in the back near the right shoulder.

Detective John Taylor said there apparently was a struggle between DeMar, who weighed about 160 pounds, and the assailant.

Taylor added the assailant apparently used a knife with a 6-inch or longer blade.

Blood spots were found behind a counter and on a cash register. Groceries were strewn about the store.

6-Inch Blade

Taylor said it had not been determined how much money had been taken.

DeMar's daughter, Mrs. Virginia Riefer, said some bills were missing from the cash register.

She said her father had operated the grocery for about 20 years and was well-known and well-liked.

"He had no enemies that we know of," Mrs. Riefer added. In addition to Mrs. Riefer, DeMar is survived by his widow and three other children.

No Wage Tax In '59 Lawrence Asserts

HARRISBURG (AP)—Gov.-elect David L. Lawrence said Monday there is no possibility of the 1959 Legislature passing a wage tax.

The governor-elect, in his first statement on taxes since his election, said he would neither advocate a wage or income tax nor accept any Republican proposal for one.

"I would not advocate a wage tax," Lawrence told a news conference. "I'm quite convinced of that (even if the GOP came up with such an idea)."

RED BATTERIES SILENT MONDAY

TAIPEI, Formosa (AP)—Communist shore batteries lifted their fire Monday after pounding the Quemoy Islands with the heaviest barrage in nearly three weeks.

The Red guns fell silent on this even-numbered, no-shelling day. The Quemoy garrison reported hundreds of Communist soldiers went back to work on coastal fortifications facing the offshore islands.

BOY, 3, KILLED BY PET GERMAN SHEPHERD DOG

ERIE, Pa. (AP)—Three-year-old Michael Kaminski was bitten and clawed to death Monday by a pet German shepherd dog on the family farm in nearby Harbor Creek.

State police shot and killed the dog which previously had shown no apparent vicious tendencies.

Officers said the six-month-old dog, given to Michael's parents two weeks ago by relatives, apparently sprang at the boy at the entrance of the barn and dragged him about 60 feet.

Found By Friend

Michael was pronounced dead by a physician who was summoned to the house. His face, throat and scalp had been clawed.

Mrs. Kenneth Kaminski said Michael had left the house, some 50 feet from the barn, only minutes before the attack. She and a family friend, Betty Exlein, began looking for him.

Miss Exlein, attracted by the barking of several dogs, found the boy's body at the rear of the barn. She said the German shepherd was standing over the boy. The other dogs were some distance away.

The Kaminski's had moved to the farm three weeks ago. The father was at work in Erie. Another Kaminski child, Linda, 5, was in the house at the time with her mother.

Mrs. Kaminski said the dog had seemed well behaved and she could offer no explanation for the attack. A veterinarian said Michael might have made a sudden movement interpreted by the dog as a threatening gesture. Tests will be made to learn if the dog was ill or had rabies.

WORLD ON WHEELS

By FLOYD CLYMER

IS FLORIDA THE TOUGHEST TESTING AREA FOR AUTOMOBILES? — General Motors Corporation has been testing its cars around Miami, Florida for more than thirty years. Recently new research laboratories were dedicated on a 10-acre Florida test field, and they claim it is the most completely outfitted weathering station in the automobile industry.

They claim that the combination of factors that make Southern Florida's climate attractive to humans (and that includes tourists) is likewise the toughest on their passenger cars, trucks and busses. They not only have exposure racks for testing samples of automobile paints and finishes, but also other equipment used in General Motors cars is tested — such as upholstery fabrics, rubber mountings, plastic, decorative emblems, rear view mirrors, head and tail lamps, steering wheels, and other units that undergo direct or indirect weather testing.

Make Many Tests
William E. Laesch, manager of the General Motors operation in Florida, states, "Here we have tested just about everything used in or on automobiles excepting anti-freezes."

He states that the Miami area serves as an exposure testing yardstick because of its abundant sunshine (solar radiation) humidity, rainfall, and proximity to the Gulf Stream. The field actually has four test assignments:

1. As a proving ground for ideas and theories.
2. It assists the chemistry department program to find and develop new materials.
3. It plays an important part in modifications and improvement of materials now in use.
4. It serves as a quality control check point.

Up-Grades Durability
General Motors' officials contend that the continued testing in Southern Florida has steadily up-graded durability and appearance

of automotive materials everywhere. Perhaps the fact that salt water has a deteriorating effect on metal parts, as well as paint, and the fact that bright sunshine likewise has an effect on paints of all kinds, does entitle Florida to be considered America's toughest testing area.

In our large cities abandoned cars are flooding the streets, which presents a terrific problem for police departments, especially in our major cities.

Many Unclaimed Cars
Not only do many owners, feeling that the cars are not worth repairing, abandon them, but there are many unclaimed stolen automobiles abandoned to add to the worries of police departments. In Chicago, for example, there are three police garages and they are jammed to capacity, with more than a hundred cluttering up the streets around various police stations. Chicago Police Commissioner Kennedy is urging motorists to turn unwanted cars over to junk dealers. But even the junk yards are overloaded and in some instances, the owner finds it difficult to even give certain models of cars to junk dealers in some localities. The commissioner states that some 50 to 100 cars a week are abandoned, and that the percentage increases during the winter months when many owners are unwilling to face the winter upkeep on deteriorated cars — therefore, they strip them down, remove any items of value, and abandon them on the side streets or vacant lots — and many even remove the license plates. The acting commissioner stated that these cars not only constitute a public hazard, but a traffic problem as well, and they are especially dangerous for children who are inclined to play in them, and many accidents are the result.

Tow Away Cars
Chicago was one of the first cities to adopt the practice of towing away cars that were il-

legally parked or abandoned. Chicago officials now hesitate to tow older model cars to the garage, knowing full well that they may not be claimed or traffic fines or towing charges paid.

Chicago policemen, however, are very efficient when it comes to towing in late model cars. I speak from experience for recently I was detained in a conference two hours longer than anticipated. Fully expecting to pick up an overtime parking ticket, much to my surprise I found the car had disappeared from the spot where I had parked it. A sympathetic service station attendant informed me that they picked up about ten cars a day in the immediate vicinity of his station. A phone call proved he was correct, so I hurried down to the police garage. First I had to see the police officer in charge of collecting fines and the fine was \$10.00 for overtime parking in the business district. He then gave me a receipt for this sum and directed me to the towing department, where the charge was an additional \$15.00 for towing about one mile. I got off with paying a total of \$25.00 — which seemed trivial when I first thought the car had been stolen.

This problem is one that every major city is not confronted with and, naturally, car owners likewise must be concerned and do their part to cooperate with the traffic authorities.

Safest Roads Control Access

By Jeanne Smith
Safety Consultant

Although it's commonly believed that four-lane divided highways are the safest roads on which to travel, a recent study reveals that such roads can be highly hazardous — unless they have controlled access.

A survey by the Michigan State Highway department establishes that four-lane divided highways without access control are among the most dangerous roads to travel.

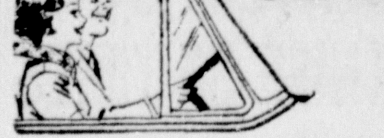

On the other hand, four-lane divided highways, with control of entrance and exit, are four times as safe as other highways, the study shows.

False Sense of Security
John C. Mackie, Michigan state highway commissioner, says the study indicates that four-lane divided highways, without access control, give the motorist a false sense of security.

"Such roads," he points out, "encourage travel at high speeds because they separate traffic and provide additional room for maneuverability. However, they still subject the motorist to friction from vehicles or pedestrians moving in and out of roadside services, business establishments, and residences."

"They require stop lights at major intersections which vastly increase rear-end collision potential. They also require left-

THE DRIVER'S SEAT

The horse has been defined as a creature more sensible than the human being because, whereas people pay to see a horse race, horses never pay to see the human race.

Probably the most dangerous horse race being run anywhere today is that by the so-called Four Horsemen of the Highway — Speed, Alcohol, Pedestrian Mistake, and a dark horse called Night Driving Danger that is moving up fast on the rail position.

Misuse of speed, driving after drinking, and careless pedestrians have long been recognized as leaders in the annual injury and death race on the highways. Only recently have safety organizations, traffic officials and the general public become aware that night driving dangers are probably the single biggest highway crash cause of all.

Speed Is Factor
Speed violations were a factor in 38 per cent of last year's 38,500 traffic deaths, according to National Safety Council tabulations. A drinking driver was involved in 30 per cent of all fatal accidents. Erroneous pedestrian actions such as crossing against signals, crossing in mid-block, and walking in the roadway accounted for 16 per cent of all traffic deaths last year.

But far out in front of the pack turning in the face of oncoming high speed traffic. "In short," Mackie says, "although they are capable of carrying a greater volume of traffic than a two-lane highway, they still expose the motorist to the same hazards, at a higher rate of speed, as the obsolete two-lane highway they were designed to improve upon or replace."

Mackie believes that the present controlled access highway system in Michigan, along with the 900 miles of proposed similar highways, will save more than 50 lives the first year, and at least 2,000 accidents.

is night driving danger, a factor in 54 per cent of all traffic fatalities last year. For every four drivers killed on the highway in daytime, 10 are killed at night.

Can't Stop Sun
What can be done to put this dark horse out of the running? Speed crackdowns, heavy law enforcement, and public education may suffice for the first three factors, but no one can stop the sun from setting nor make a driver's eyes see better at night. Highway officials and traffic safety experts are urging that, if drivers' eyes can't be improved, the dangers be made more visible.

They are putting up reflective markers and signs that give better warnings of hazards after dark. In some areas they are putting in huge lighting projects, although these are expensive and limited by highway budgets. Where possible, they are enacting legislation that will require motorists to slow down at night. In brief, they are taking all possible steps to reduce the nighttime fatality rate, which is now the single biggest cause of deaths on the highways.

Night driving danger will be a dead horse when efforts such as these to improve the track for motorists become standard practices on every course.

Where possible, they are enacting legislation that will require motorists to slow down at night. In brief, they are taking all possible steps to reduce the nighttime fatality rate, which is now the single biggest cause of deaths on the highways.

WILL PRESENT SCHOLARSHIPS TO 16 PUPILS

NEW YORK, (AP)—A Chester, Pa., philanthropist and roller skate rink owner has offered scholarship to 16 youngsters—if they can give good reasons for wanting higher education.

At the Roller Skate Queen contest in Miami last week, the winner, Mary Ann Slaznik, 18, of Pine Bush, N.Y., said in an acceptance speech that the \$2,500 award would enable her to attend medical school. She is now a pre-medical student at Orange Community College, in Middletown, N. Y.

Jack Coopersmith, who owns a roller rink in Chester, and also has large real estate and business holdings, heard the girls' speech and got the idea. He said he would establish more scholarships through the Coopersmith Foundation which he established 12 years ago.

"Prove Interest"
Coopersmith informed the other 25 entrants he would provide college scholarships if they could prove their interest. Thus far, 14 of the 25 declared their intentions of applying, a spokesman for Coopersmith said.

During the past dozen years, foundation funds have been applied toward various community causes, the spokesman said.

He said Coopersmith himself had to quit school after the eighth grade.

This Thanksgiving, the foundation will provide a holiday dinner for 350 children in the Chester area.

GETS \$96,700 GRANT

PHILADELPHIA (AP)—Villanova University has received a \$96,700 grant from the National Science Foundation in Washington to train high school science and mathematics teachers.

The Very Rev. James A. Donnellon, university president, announced the grant at a dinner Monday night. He said its terms specify that the university establish a summer institute for the training program. The first institute will be held next summer.

SUICIDE PLOT FAILS TO HALT MURDER TRIAL

PHILADELPHIA (AP)—A drowsy Anthony Scoleri lay motionless on a stretcher in a courtroom Monday night while his attorney's completed their case at his trial on a murder charge.

Just before breakfast Monday, Scoleri, 23, was taken to the Holmesburg Prison.

Officials regarded it as a fake attempt at suicide, a move to delay his trial.

Twenty-four stitches were taken and a sedative was administered. The sedative made Scoleri too drowsy to appear in court for the regular session, but Judge Vincent A. Carroll ordered the unusual night session.

Sister Testifies
Scoleri's sister, Mrs. Margaret Sbraccia, testified that both he and his brother, Joseph, 23, who also faces trial on a murder charge, were with her at the time they are accused of taking part in the hold-up-killing of shopkeeper Max Gordon. Gordon was slain during the \$18 robbery at his south Philadelphia store last Aug. 28. Three masked men escaped in an auto.

Scoleri was hunted half way across the country before they were finally arrested in Kansas City.

Blames Others
Joseph Scoleri testified Saturday that 29-year-old Anthony took no part in the holdup. He said he unwittingly drove the auto in which the holdup men fled. Joseph said they were Ricky Woods, who was wounded fatally in the shooting.

authorities contend, and Joseph Santarpio, who was killed shortly afterward in a street fight. John Santarpio was called as a rebuttal witness Monday night and testified that his brother Joseph was with him and a group of other men the night of the slaying.

Before Monday night's session began, Judge Carroll ordered Scoleri examined by physicians again. A police doctor testified he was well enough to appear in court. The defendant, tieless but otherwise fully clothed, appeared to be sleeping on the stretcher through much of the testimony.

'GUY IN WARD 4' DID BIG JOB IN TV DRAMA

By CHARLES MERCER

NEW YORK (AP)—Those who believe that effective drama cannot be accomplished in a half-hour of television should have taken a look at "Guy in Ward 4" on Goodyear Theater Monday night over NBC-TV.

The drama by Paul Monash based on a Harper's magazine story by Leo Rosten was vastly superior to most of the mash and melodrama that clutter the channel half-hours these evenings.

It was a simple story movingly played by a cast of three. Richard Kiley portrayed an Army psychiatrist, attached to the Air Force in England during World War II, who was goaded by his sergeant, played by Charles Aidman, into working the emotional restoration of a flight gunner.

Refreshing Aspect
The gunner, played by Edward Ryder, was killed on his return to active duty, causing the psychiatrist to have the same feelings of guilt that he had purged from the gunner. The sergeant restored the psychiatrist in the same way that he had observed the psychiatrist aid the gunner.

Brevity of time resulted in an overly simplified statement of the therapeutic nature of sodium pentathol (truth serum). But the strength of the drama more than compensated for a medical technicality that was minor to the themes of guilt and man's dependence, one on another.

One refreshing aspect of the drama was to see a psychiatrist portrayed as a fallible human being. Television usually makes that profession appear as infallible as heaven itself.

Army Hopes To Fire Its 1st Space Probe Dec. 6

By STANLEY MEISLER

WASHINGTON (AP)—The Army hopes to fire its first space probe Dec. 6. It will be much lighter and simpler than the ones the Air Force used in three tries at reaching the vicinity of the moon.

The launching will be made from Cape Canaveral, Fla., the base from which the Air Force sent aloft its lunar probes earlier this year. One of these was partially successful, but two other rockets failed not long after takeoff.

The Army plans to launch a new rocket combination it calls Juno. This comprises a modified Jupiter intermediate range ballistic missile and three rocket stages fueled with solid propellants.

30-Pound Missile
The probe, riding in the nose of the rocket, will contain 15 pounds of instruments while the probe case will weigh another 15 pounds.

The Air Force lunar probes weighed about 85 pounds, with instrumentation accounting for about 25 pounds of this.

Unlike the Air Force, the Army goal is to pass the moon and head toward the sun.

May Be Sun Planet

If the probe enters the sun's field of gravity, it could be pulled into orbit. Then it would be a baby planet revolving about the sun just as Earth, Mars, Venus and the other planets do.

Cape Canaveral soon will have to share attention with the Pacific Coast in missile and space vehicle launches.

Informed sources say the first launches from Vandenberg Air

Force Base near Lompoc, Calif., will come in December.

There had been speculation that the new launches would include the reconnaissance satellites Sentry and Pied Piper. They would circle the earth, about 200 to 400 miles up, and scan the land below.

Others Later

But a Defense Department spokesman said the Pied Piper and Sentry will not be tried for at least a year.

In the three Air Force shots at the moon, one rocket blew up after a bit more than one minute in the air. The second traveled roughly a third of the 220,000 miles to the moon, then fell back to a flaming death in the atmosphere. The third reached only 1,000 miles when one of its stages misfired.

Now the Army has two chances. Although the aim of the first probe is to pass the moon, Dr. Werner von Braun, head of the Army space probe program, has said it might get caught in the moon's pull of gravity instead. Then the Army probe could become a satellite of the moon or hit it.

Thankfulness...

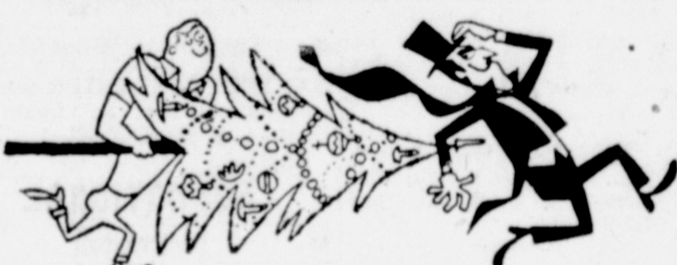

When the Pilgrim Fathers offered a prayer of gratitude to God on the first Thanksgiving, they set an example for future generations. Let us, too, count our blessings and offer a grateful prayer for all the good things that have been ours.
